International Scientific-Practical Conference
"MODERN APPROACHES IN SCIENCE AND SCIENTIFIC RESEARCH"
10 December 2025
Moscow, Astana, Osh, Petropavlovsk, Tashkent

The conference will be held without plenary presentations, in the format of an academic collection of scientific papers.

Dear members of the scientific community!

We cordially invite you to participate in the International Scientific-Practical Conference **"Modern Approaches in Science and Scientific Research."** This event aims to discuss contemporary research across various scientific fields, exchange new scientific ideas, and support scientific activities aligned with global innovative processes.

Within the framework of the conference, scientists, researchers, young scholars, and practicing specialists will have the opportunity to present their research results, exchange scientific ideas, and expand international cooperation.

Conference Objective. The main objective of this International Scientific-Practical Conference is to consolidate the results of contemporary research across various scientific fields and strengthen the integration of science and practice through advanced scientific approaches.

Furthermore, the conference aims to:

- explore emerging scientific fields on a global scale;
- promote innovative methods and research technologies within the scientific community;
- support the scientific potential of young researchers;
- foster scientific collaboration and experience exchange among researchers from different countries;
- facilitate the integration of disciplines, interdisciplinary approaches, and the development of modern scientific paradigms.

The conference seeks to present innovative ideas, practical outcomes, and theoretical studies of significant importance for the advancement of modern science to a wide scientific audience, as well as to create a solid platform for future scientific projects.

Scientific directions of the conference:

✓ Natural Sciences

✓ Earth Sciences

✓ Engineering and Technical Sciences

✓ Social and Humanitarian Sciences

✓ Economics

✓ Law

✓ Medical Sciences

Requirements for Article Submission:

- Articles are accepted in Uzbek, Russian, English, Kazakh, Kyrgyz, Tajik, and Turkmen languages. The length of the article must be **at least 5 pages**.
- The text should be edited and formatted on **A4 paper**, indicating the relevant section, with **1.5 line spacing** and margins: top and bottom — 2.5 cm, left — 3 cm, right — 1.5 cm. Articles are accepted in **electronic format**.
- The text must **not be paginated**; the electronic version should be prepared in **Microsoft Word**, using **Times New Roman, size 14**.
- The title of the article should be written in **capital letters**, followed by a line with the author(s)' name(s), affiliation, and the email of the corresponding author. At the end of the article, a list of references should be provided (formatted according to **GOST style**). Authors are fully responsible for the accuracy and reliability of the information presented.
- The file name should include the author's surname and affiliation (e.g., if the author is from the National University of Uzbekistan — "R.Toshmamatov UzNU").
- Abstracts and keywords must be provided in **Uzbek, Russian, and English**.

Conference materials will be published electronically on the **UniScience website** and Telegram channel, and authors will receive certificates with **QR codes**.

Deadline for submission: December 8, 2025.

Conference date: December 10, 2025. The conference will **not be held in the traditional format**, but in the form of a **collection of scientific papers**. All articles will be published in the official proceedings.

Notification of article acceptance will be sent to authors within **1 working day**. Articles can be submitted via email: **unisciense@gmail.com** or via Telegram: **https://t.me/UniSciense**.

The Organizing Committee reserves the right **not to publish materials** that do not correspond to the conference theme or fail to meet the above requirements.
