INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

INTEGRATION OF SCIENCE, EDUCATION AND INDUSTRY:

global challenges, innovative solutions and sustainable development

3 August 2026

Tashkent - London | Online

Organizer: ACADEMIC RESEARCH PUBLISHER

PARTICIPANTS

A platform connecting scientific ideas with practical experience

- university faculty and researchers
- doctoral candidates and independent researchers
- master’s and undergraduate students
- engineers and industry professionals
- entrepreneurs and sector experts

Articles and abstracts are accepted in Uzbek, Russian and English.

Dear researchers and professionals!

You are invited to participate in the international scientific and practical conference “Integration of Science, Education and Industry: Global Challenges, Innovative Solutions and Sustainable Development,” to be held online on 3 August 2026.

The conference provides a platform to discuss research in fundamental and applied sciences, modern education, digital technologies, engineering, economics, geography, agriculture, medicine, and the social sciences and humanities, and to connect scientific results with practice.

EVENT FORMAT

Tashkent - London scientific dialogue, online participation and electronic conference proceedings.

Conference Goals and Objectives

To strengthen collaboration among science, education and industry; develop interdisciplinary and innovative solutions to global challenges; support the practical implementation of research outcomes; and advance international knowledge exchange for sustainable development.

Outcome: a collaboration platform that brings scientific ideas closer to education and industrial practice.

01 **Discuss current results in fundamental and applied research**

02 **Identify effective mechanisms for integrating education and industry**

03 **Exchange experience in digital, AI and green technologies**

04 **Support the implementation of research and technology transfer**

05 **Build connections for early-career researchers and international scientific cooperation**

Conference Tracks

01-05 | Science, education, technology and territorial development

01 — **Biological Sciences: Current Challenges in Zoology, Biodiversity and Wildlife Conservation**

02 — **Modern Education and Innovative Pedagogical Technologies**

03 — **Information Technology, Artificial Intelligence and Digital Transformation**

04 — **Engineering, Energy and Innovative Manufacturing Technologies**

05 — **Geography, Geoinformation Technologies and Sustainable Territorial Development**

INTERDISCIPLINARY

Conference Tracks

06-10 | Economics, agrotechnology, medicine and international cooperation

06 — **Economics, Management, Finance and Innovative Entrepreneurship**

07 — **Agriculture, Biotechnology and Food Security**

08 — **Medicine, Pharmacy and Modern Healthcare Technologies**

09 — **Social Sciences and Humanities, Law, Language and Culture**

10 — **Integration of Science, Education and Industry, and International Cooperation**

Formatting Articles and Abstracts

A4

Microsoft Word | .doc / .docx

FONT	**Times New Roman 12 pt**
SPACING	**1.15**
MARGINS	**2 cm on all sides**
INDENT	**1.25 cm**

General Requirements

- Languages: Uzbek, Russian and English.
- Length: article 5-10 pages; extended abstract 2-4 pages.
- Title: uppercase, bold and centered; include the track number.
- Author details: full name, degree/title, organization, city and country, e-mail; include ORCID if available.
- Abstract: 100-200 words and 5-8 keywords in Uzbek, Russian and English.
- Figures and tables: numbered, titled and sourced; image quality must be at least 300 dpi.
- File name: Author_Surname_Track_Number.

Structure and Editorial Standards

ARTICLE | 5-10 pages

- Introduction and relevance of the problem
- Research methodology
- Results and discussion
- Conclusion and practical recommendations
- References

EXTENDED ABSTRACT | 2-4 pages

- Brief statement of the problem and objective
- Main approach or method
- Key results
- Brief conclusion
- Key references

≥ 70%
text originality

APA 7
citations and references

DOI
include if available

Editing
spelling and academic style checked

Key Dates and Publication Terms

From manuscript preparation to publication

2 AUGUST
Submission deadline for articles and abstracts

3 AUGUST
International scientific and practical conference

5-6 AUGUST
Publication of conference materials

PUBLICATION FEE

70 000 UZS | 5,84 USD | 444 RUB

Fee for publishing an accepted article or abstract in the electronic proceedings.

Accepted materials will be published in the electronic conference proceedings. The editorial board reserves the right to reject submissions that do not meet the scope or requirements.

Submission and Contact Information

Send the article or abstract and author details in one message.

Submission deadline: by the end of 2 August 2026.

ADVANCING THE INTEGRATION OF EDUCATION AND INDUSTRY THROUGH DIGITAL TECHNOLOGIES

Author's Full Name
Organization, city, country
E-mail: author@example.com | ORCID: 0000-0000-0000-0000

Abstract. The purpose, methods and main results of the article are presented in 100-200 words.
Keywords: science, education, industry, innovation, sustainable development.
Annotatsiya / Аннотация. Uzbek and Russian versions of the abstract and keywords are provided.

Introduction. The relevance of the problem and the research goals and objectives are presented.
Methodology. The methods, data and research process are described.
Results and Discussion. The main results are analysed using evidence, tables or figures.
Conclusion. The scientific novelty, practical significance and recommendations are stated briefly.

References are formatted in APA 7 style and listed alphabetically.

Participant Registration Form

Submit the completed form electronically together with the article or abstract.

Full name	
Organization and position	
Academic degree and title	
Telephone number	
E-mail address	
Title of article or abstract	
Track number and title	
Language of submission	
Date	

Check Before Submission

- article or abstract in Word format
- track number included
- abstract and keywords in three languages
- author contact details
- completed registration form

Submit materials by the end of 2 August 2026 via @uniscience_2 or to unisciense@gmail.com.
