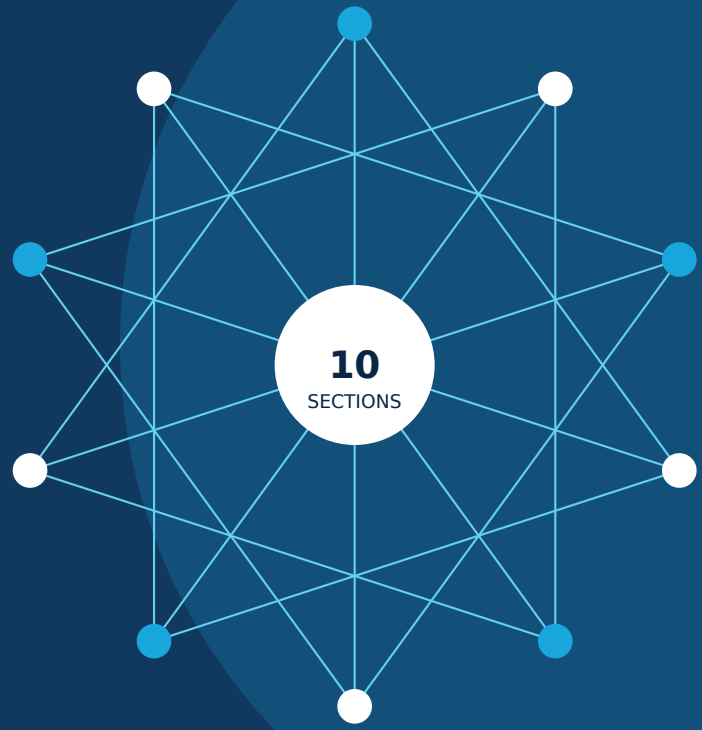
ACADEMIC RESEARCH PUBLISHER

International scientific and practical conference

NEW SCIENTIFIC SPACE: INTERDISCIPLINARY RESEARCH, GLOBAL CHALLENGES AND PROMISING SOLUTIONS



18 August 2026

Tashkent - London

No scheduled presentations - conference proceedings only

Working languages: Uzbek, English and Russian

Partner organizations and media partners

DEAR

professors, researchers, doctoral candidates, independent scholars, master’s students, students and professionals,

FORMAT

No conventional meeting or scheduled presentations; electronic proceedings only.

ACADEMIC RESEARCH PUBLISHER invites you to participate in the international scientific and practical conference "New Scientific Space: Interdisciplinary Research, Global Challenges and Promising Solutions", to be held on 18 August 2026 in Tashkent - London.

The conference brings together current research from diverse disciplines, examines global challenges through an interdisciplinary lens and promotes promising scientific ideas and practical solutions.

The proceedings will present research in fundamental and applied sciences, digital technologies, engineering, medicine, agriculture, geography and ecology, education, economics, law, social sciences and the humanities.

The conference enables participants to share research with a wider audience, establish new academic connections and develop interdisciplinary cooperation.

No scheduled oral presentations
Accepted papers and abstracts will be included in the electronic conference proceedings.

CONFERENCE AIM

Scientific integration, open academic exchange and practical impact

The conference aims to strengthen links across disciplines, support comprehensive study of global challenges, disseminate findings through open publication and increase the practical value of theoretical research.

01

RESEARCH OUTPUT

Bring findings from fundamental, applied and interdisciplinary research into scholarly circulation.

02

SOLUTIONS

Advance promising, evidence-based solutions to global and regional challenges.

03

COLLABORATION

Develop scholarly links among researchers, practitioners and early-career scholars.

04

VISIBILITY

Increase international visibility through digital academic platforms.

10 CONFERENCE SECTIONS

A comprehensive framework covering all major fields of study

01 Current Issues in Natural and Exact Sciences
Mathematics, physics, chemistry, biology, astronomy, mechanics, statistics, biophysics, biochemistry and other fundamental sciences.

02 Geography, Geology, Ecology and Earth Sciences
Geography, geology, geophysics, geodesy, cartography, GIS, climatology, meteorology, hydrology, soil science and ecology.

03 Information Technologies and Digital Innovation
Artificial intelligence, programming, computer engineering, big data, cybersecurity, robotics, automation and telecommunications.

04 Engineering, Technology and Industrial Sciences
Energy, electrical engineering, mechanical engineering, mining, metallurgy, oil and gas, transport, logistics, construction, architecture and industry.

05 Medicine, Pharmacy and Healthcare
Clinical and preventive medicine, dentistry, pharmacy, genetics, microbiology, epidemiology, rehabilitation and public health.

06 Agriculture, Veterinary Science and Food Technology
Agronomy, crop science, plant breeding, animal husbandry, veterinary medicine, irrigation, land reclamation, agricultural technologies and food security.

07 Pedagogy, Psychology and Educational Technologies
Preschool, school, vocational and higher education, teaching methodology, inclusive education, psychology, educational management and sport.

08 Philology, Arts and Cultural Studies
Linguistics, literary studies, foreign languages, translation studies, journalism, folklore, art, music, design, media and communication.

09 Economics, Finance, Management and Services
Economics, finance, banking, taxation, accounting and auditing, insurance, management, marketing, entrepreneurship, tourism, services and the digital economy.

10 Social Sciences, Humanities, Law and Political Studies
History, archaeology, philosophy, sociology, anthropology, demography, law, political science, public administration, international relations and security studies.

PAPER AND ABSTRACT FORMATTING

Unified technical requirements for editorial review

- Papers and abstracts are accepted in Uzbek, English or Russian; a paper must be at least 5 pages long.
- Use A4 paper with 2.5 cm top and bottom margins, a 3 cm left margin and a 1.5 cm right margin.
- Prepare the manuscript in Microsoft Word using 14 pt Times New Roman, 1.5 line spacing and no page numbering.
- Write the title in uppercase. On the following lines, provide the author’s full name, institutional affiliation and correspondence email.
- Provide the abstract and keywords in Uzbek, Russian and English.
- Recommended structure: Introduction, Main Body, Conclusion and References.
- Format the reference list in GOST style. The author is responsible for the accuracy and reliability of all information in the submission.
- Name the file using the author’s surname and institution. Example: R.Toshmamatov_NUUz.docx.

TECHNICAL SETTINGS

FORMAT	A4
FONT	Times New Roman, 14 pt
LINE SPACING	1.5
MARGINS	2.5 / 2.5 / 3 / 1.5 cm
LENGTH	Paper - at least 5 pages
FILE	Microsoft Word (.docx)
PAGE NUMBERS	None

Abstract and keywords - in 3 languages

KEY DATES AND PARTICIPATION TERMS

17 AUGUST — **Final submission deadline**

18 AUGUST — **Conference date**

20-21 AUGUST — **Electronic proceedings published**

PUBLICATION AND INDEXING

The conference proceedings will be published electronically at https://academscience.com/. The volume will also be available through Zenodo and OpenAIRE and discoverable via internet search engines.

A DOI will be assigned to the conference proceedings volume. Each participant will receive an electronic certificate for an accepted submission.

PARTICIPATION FEE

80,000 UZS / 6.73 USD / 544 RUB

The fee covers editorial and technical preparation of the accepted submission, inclusion in the proceedings and preparation of the certificate.

1% One percent of conference proceeds will support charitable initiatives for persons with disabilities and low-income families.

SUBMISSION AND CONTACT INFORMATION

Send the Word file through one of the following contact channels

MANUSCRIPT FORMAT SAMPLE

PAPER TITLE IN UPPERCASE

Author’s full name
Full institutional affiliation
e-mail: author@example.com

Abstract (Uzbek). Briefly state the purpose, methods, principal findings and scientific significance of the paper.
Keywords (Uzbek): 5-10 principal concepts and terms.
Abstract (Russian). Briefly state the purpose, methods, principal findings and scientific significance of the paper.
Keywords (Russian): 5-10 principal concepts and terms.
Abstract (English). The purpose, methods, principal findings and scientific significance of the paper are briefly presented.
Keywords (English): 5-10 key concepts and terms.
Introduction. State the relevance of the problem, the research aim and the research objectives.
Main Body. Present the methodology, analysis, results and scholarly discussion.
Conclusion. Summarize the principal findings and provide practical recommendations.
