INVITATION

Dear Members of the Academic Community!

For faculty members, researchers, doctoral and master's students, undergraduates, and practitioners

ACADEMIC RESEARCH PUBLISHER invites you to participate in the International Scientific and Practical Conference entitled “Science of the New Era: Global Transformations, Interdisciplinary Research and Solutions for Sustainable Development”, to be held on 29 August 2026.

The conference aims to bring together research from diverse fields of contemporary science, promote interdisciplinary analysis of global transformations, and introduce theoretical and practical solutions that contribute to sustainable development into scholarly discourse.

The proceedings will feature current research in fundamental and natural sciences, engineering, digital technologies, geography and ecology, agriculture, medicine, economics, law, education, and the social sciences and humanities.

29 **AUGUST**
Conference date

28 **AUGUST**
Submission deadline

02 **SEPTEMBER**
Publication date

FORMAT

No scheduled presentations; the conference will be held exclusively in the form of published proceedings.

SCIENTIFIC FRAMEWORK

Purpose, priorities, and expected outcomes

01

CORE PURPOSE

To examine emerging scientific challenges in an era of global transformation through an interdisciplinary lens, synthesize new research findings, and disseminate research-based solutions that support sustainable development.

02

STRATEGIC PRIORITIES

To foster dialogue across disciplines; highlight innovative methodologies and technologies; support early-career researchers; and strengthen national and international scientific cooperation.

03

EXPECTED OUTCOMES

To publish timely findings and practical recommendations, introduce new ideas into scholarly discourse, expand open access to research results, and enhance the academic visibility of authors.

10 SCIENTIFIC SECTIONS

Conference Research Areas • I

An interdisciplinary structure encompassing all major fields of knowledge

01

Current Issues in Fundamental and Natural Sciences

Mathematics, physics, chemistry, biology, astronomy, and other natural sciences.

02

Innovation in Engineering, Technology, Energy, Architecture, and Construction

Engineering, industrial technologies, energy, transport, mechanics, architecture, and construction.

03

Information Technology, Artificial Intelligence, and Digital Transformation

Programming, information systems, AI, cybersecurity, robotics, and digital technologies.

04

Geography, Geology, Ecology, Climate Change, and Sustainable Development

Physical and economic geography, geology, geophysics, GIS, ecology, environmental protection, and natural resources.

05

Agriculture, Veterinary Science, Water Management, and Food Security

Agronomy, soil science, animal husbandry, veterinary science, irrigation, water resources, and food technologies.

10 SCIENTIFIC SECTIONS

Conference Research Areas • II

An interdisciplinary structure encompassing all major fields of knowledge

06 Medicine, Pharmacy, Biotechnology, and Public Health

Theoretical and clinical medicine, prevention, pharmacology, biotechnology, rehabilitation, and healthcare.

07 Economics, Finance, Management, Entrepreneurship, and Tourism

Economics, banking and finance, accounting, marketing, management, logistics, entrepreneurship, and tourism.

08 Law, Political Science, Public Administration, and International Relations

Law, political processes, public administration, diplomacy, migration, and international affairs.

09 Education, Pedagogy, Psychology, Philology, and Physical Education

Teaching methods, educational technologies, psychology, linguistics, literature, foreign languages, and sport.

10 History, Philosophy, Sociology, Culture, Arts, and Mass Communication

History, archaeology, anthropology, philosophy, religious studies, sociology, culture, arts, journalism, and media.

PUBLICATION BENEFITS

Open dissemination of research outcomes

01

AUTHOR CERTIFICATE

Each contributing author receives an electronic certificate.

02

DEDICATED WEB PAGE

The proceedings and every individual paper are published separately on the official website.

03

ACADEMIC INDEXING

Each paper is indexed in Google Scholar, Zenodo, and OpenAIRE.

04

ELECTRONIC PROCEEDINGS

All accepted materials are published in a single electronic conference volume.

PUBLICATION DATE

2 SEPTEMBER 2026

INDEXING PLATFORMS

- Google Scholar
- Zenodo
- OpenAIRE

FOR AUTHORS

Manuscript Formatting Requirements

Please verify that your article or abstract meets the following requirements

LANGUAGES	Submissions are accepted in English, Russian, Uzbek, and, where appropriate, other languages.
LENGTH	Research articles must be at least 5 pages; the recommended length for abstracts is 3-5 pages.
PAGE SETUP	A4; top and bottom margins 2.5 cm, left 3 cm, right 1.5 cm; pages must not be numbered.
FONT	Microsoft Word; Times New Roman, 14 pt; 1.5 line spacing.
TITLE	Use uppercase letters; provide the author's full name, affiliation, and email address below.
ABSTRACT	Abstracts and keywords must be provided in Uzbek, Russian, and English.
STRUCTURE	The paper must include an introduction, main body, conclusion, and reference list.
REFERENCES	The reference list must be formatted in accordance with GOST standards.
FILE NAME	Name the file using the author's surname and affiliation: R.Toshmamatov_OzNU.docx.
RESPONSIBILITY	Authors are responsible for accuracy, reliability, and compliance with academic integrity.

The number of the relevant scientific section must be indicated in the manuscript.

KEY DATES

Submission, conference, and publication timeline

28

28 AUGUST

Final submission deadline

29

29 AUGUST

Conference date

2

2 SEPTEMBER

Proceedings and certificates published

PARTICIPATION FEE

100,000 UZS

699 RUB

8.44 USD

The fee covers editorial preparation, publication, and author certification.

1%

SCIENCE IN THE SERVICE OF GOOD

One percent of the funds raised through the conference will be allocated to charitable purposes.

SUBMISSION

Contact and Registration

Electronic submissions will be accepted until 28 August 2026

TELEGRAM

@academic_r_p

Scan the QR code or enter the address

Submit the article/abstract file, author details, and the number of the selected section.

EMAIL

conference_a_r_p@internet.ru

Scan the QR code or enter the address

Submit the article/abstract file, author details, and the number of the selected section.

IMPORTANT Authors will be notified of acceptance within one business day. The Organizing Committee reserves the right to reject submissions that fall outside the conference scope or fail to meet the stated requirements.

PRACTICAL TEMPLATE

Article Structure and Registration Form

A concise guide to preparing and submitting your manuscript

ARTICLE FORMATTING TEMPLATE

ARTICLE TITLE IN UPPERCASE LETTERS

Author’s full name
Full institutional affiliation
e-mail: author@example.com

Annotatsiya. Tadqiqot maqsadi, metodlari, asosiy natijalari va ilmiy-amaliy ahamiyati.
Kalit so‘zlar: 5-10 ta asosiy tushuncha.

Аннотация. Цель, методы, основные результаты и научно-практическая значимость.
Ключевые слова: 5-10 основных понятий.

Abstract. Aim, methods, key findings, and scholarly significance.
Keywords: 5-10 principal research terms.

Introduction. Relevance of the topic and research objective.
Main body. Methodology, analysis, and findings.
Conclusion. Key conclusions and practical recommendations.
References. Formatted in accordance with GOST standards.
