ACADEMIC SCIENCE PUBLISHING

INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

MODERN SCIENTIFIC RESEARCH: INTERDISCIPLINARY SOLUTIONS TO GLOBAL PROBLEMS

INFORMATION LETTER

9 OCTOBER 2026

08 OCTOBER	09 OCTOBER	11 OCTOBER
Submission deadline	Conference date	Proceedings publication

Dear members of the scientific community!

We invite academic staff, researchers, doctoral candidates, independent researchers, master's students, early-career scholars, students and professionals to participate in the international scientific and practical conference.

The conference aims to bring together different disciplines to address global problems, disseminate the findings of fundamental and applied research, and promote scientific collaboration.

Participation format Online, without scheduled presentations. The conference is organised as an electronic collection of research articles and conference abstracts.

Conference tracks

Submissions are accepted in the following 10 research areas.

01 **Fundamental and natural sciences**

Current research and interdisciplinary approaches. Theoretical and applied issues in mathematics, physics, chemistry and biology.

02 **Engineering and innovative technologies**

Energy efficiency and rational resource use. New materials, manufacturing and engineering solutions.

03 **Artificial intelligence and digital technologies**

Digital transformation, information security and practical solutions. Data analysis, automation and information systems.

04 **Geography and geospatial research**

Regional development, urbanisation and natural resource management. GIS, remote sensing and cartography.

05 **Ecology and climate change**

Biodiversity conservation and environmental sustainability. Climate adaptation, environmental protection and land degradation.

06 **Agriculture and food security**

Water scarcity, agricultural innovation and sustainable production. Soil fertility, breeding and veterinary science.

07 **Medicine, pharmacy and public health**

Disease prevention and innovative treatments. Diagnostics, biomedicine and pharmaceutical research.

08 **Economics, management and tourism**

Global economic changes and sustainable development strategies. Finance, entrepreneurship, investment and tourism.

09 **Education, pedagogy, psychology and philology**

Education quality, human capital and intercultural communication. Pedagogical innovation, psychology and language research.

10 **Social sciences, humanities and law**

Social equality, cultural heritage and global cooperation. History, philosophy, cultural studies and legal issues.

Formatting requirements

Please check the following requirements before submitting your article or abstract.

01 Accepted languages

Uzbek, Russian, English, Kazakh, Kyrgyz and Turkish.

02 Submission length

Research articles: at least 5 pages. Conference abstracts: at least 2 pages.

03 File format and font

Microsoft Word (.doc or .docx), Times New Roman, 14 pt. The text must be edited and the selected conference track must be indicated.

04 Page layout

A4; 1.5 line spacing. Top and bottom margins: 2.5 cm; left: 3 cm; right: 1.5 cm. Do not include page numbers.

05 Title and author details

The title must be in UPPERCASE, bold and centred. Leave one blank line, then centre the author’s full name, affiliation and correspondence email address.

06 Abstracts and keywords

Abstracts and keywords must be provided in Uzbek, Russian and English.

07 Article structure and references

Present the introduction, main body and conclusion coherently. Include a reference list in GOST style at the end of the article.

08 File naming

Include the author’s surname and institution in the file name. Example: R_Toshmamatov_OzMU.docx.

Author responsibility
Authors are responsible for the accuracy and reliability of the information and for correct source attribution. The organising committee reserves the right to decline publication of submissions that fall outside the conference scope or do not meet the requirements.

Payment and submission

PUBLICATION SERVICE FEE

UZS	USD	RUB	KZT
100 000	8,46	704,95	3 727,94

The fee covers inclusion of an article or conference abstract in the electronic proceedings, together with editorial and technical preparation.

PUBLICATION AND DISTRIBUTION

The conference proceedings will be published electronically on academscience.com on 11 October 2026. Materials will be indexed in Google Scholar, Zenodo and OpenAIRE. Participants will receive an electronic certificate with a QR code.

1% FOR CHARITY

One per cent of conference revenue will support low-income families and the treatment of children with oncological and haematological diseases.

SUBMIT YOUR MATERIALS BY 8 OCTOBER

Send your article or conference abstract and registration form through any of the following channels.

Submission template

TITLE OF THE ARTICLE OR CONFERENCE ABSTRACT

Author’s surname, first name and patronymic
Institution name
Email address

Abstract (Uzbek). Research aim, methods and main findings.
Keywords (Uzbek): key concepts related to the research topic.
Abstract (Russian). Research aim, methods and main findings.
Keywords (Russian): key concepts related to the research topic.
Abstract (English). Research aim, methods and main findings.
Keywords (English): key concepts related to the research topic.

Introduction → Main body → Conclusion → References

PARTICIPANT REGISTRATION FORM

Complete the following details and submit them with your material.

Surname, first name and patronymic	
Date of birth	
Institution and position	
Academic degree and title	
Phone number	
Email address	
Title of article or conference abstract	
Selected track number and name	
Submission date
