INTERNATIONAL SCIENTIFIC CONFERENCE CALL FOR PAPERS

InterScience 2026: Dialogue of Science, Practice and Innovation

Official Information Letter & Paper Submission Guidelines

DATE: October 26, 2026 **FORMAT:** Online (Proceedings & Indexing) **INDEXING:** Google Scholar | Zenodo | OpenAIRE

DEAR PROFESSORS, RESEARCHERS, AND STUDENTS!

We cordially invite you to participate in the International Scientific and Practical Conference titled **"InterScience 2026: Dialogue of Science, Practice and Innovation"**, scheduled for **October 26, 2026**. This conference is dedicated to scientific analysis, discussion of innovative ideas, and development of practical solutions in the fields of modern scientific integration, practice, digital transformation, and sustainable development.

> **Conference Format:** The conference will be held remotely without live presentations, organized exclusively through the publication of peer-reviewed proceedings and digital distribution.

CONFERENCE AIM AND OBJECTIVES

🎯 **Main Goal:** To foster dialogue between modern science, practice, and innovation, facilitate the implementation of research findings into practice, and strengthen interdisciplinary international scientific collaboration.

🔗 Integration

Strengthening synergy between science, education, and industrial application.

🚀 Dissemination

Broadly promoting scientific research, methodology, and innovative solutions.

💡 Interdisciplinary Approach

Developing comprehensive solutions for complex socioeconomic and technical challenges.

📈 Global Indexing

Indexing accepted articles in Google Scholar, Zenodo, and OpenAIRE to boost citations.

CONFERENCE SECTIONS (10 UNIVERSAL TRACK CATEGORIES)

01 **Exact and Natural Sciences**
Physics, Mathematics, Chemistry, Biology, Geography, and related disciplines.

02 **IT and Artificial Intelligence**
Software engineering, AI, Cybersecurity, Data Analytics, Digitalization.

03 **Engineering and Technology**
Energy, Mechanical Engineering, Construction, Manufacturing, Metallurgy.

04 **Economics and Management**
Finance, Investments, Marketing, Business Administration, Digital Economy.

05 **Pedagogy and Psychology**
Innovative Education, E-learning, Applied Psychology, Pedagogy.

06 **Philology and Linguistics**
Literary Studies, Comparative Linguistics, Translation Studies.

07 **Social Sciences and Law**
History, Philosophy, Sociology, Political Science, Jurisprudence, Law.

08 **Medicine and Pharmacy**
Clinical & Biological Medicine, Pharmacology, Public Health, Hygiene.

09 **Agriculture and Ecology**
Agrotechnology, Environmental Protection, Biodiversity, Green Economy.

10 **Culture, Art, and Design**
Cultural Heritage, Fine Arts, Architecture, Urban Planning, Graphic Design.

PAPER FORMATTING GUIDELINES

- **Accepted Languages:** English, Uzbek, Russian, Kazakh, Kyrgyz, and Turkish.
- **Paper Length:** Minimum of **5 pages** of structured text.
- **Formatting Specs:** Microsoft Word, **Times New Roman, 14 pt** font, **1.5 line spacing**.
- **Page Margins:** Top & Bottom — 2.5 cm, Left — 3.0 cm, Right — 1.5 cm.
- **Structure:** Article Title (CAPITAL LETTERS, centered), Author(s) Full Name, Institution/Affiliation, Email. Abstracts and Keywords in 3 languages (ENG, UZB, RUS). Main body text and References (APA / GOST style).
- **File Naming:** Saved as Author's Surname and Institution (e.g., `R_Toshmamatov_OzMU.docx`).

IMPORTANT DATES

SUBMISSION DEADLINE	CONFERENCE DATE	PROCEEDINGS & CERTIFICATES
October 25, 2026	October 26, 2026	October 28–29, 2026

PARTICIPATION & PUBLICATION FEES

The fee covers editorial reviewing, inclusion in official proceedings, international database indexing, and personalized QR-verified certificates.

Uzbekistan (UZS)	International (USD)	Russia (RUB)	Kazakhstan (KZT)
100 000 UZS	$ 8.29 USD	696 RUB	3 747 KZT

SOCIAL RESPONSIBILITY & CHARITY INITIATIVE

1% Charity Contribution: As part of our corporate social initiative, 1% of all conference proceedings will be donated to support low-income families and medical rehabilitation programs for children suffering from oncological and hematological conditions.

APPLICATION OF ARTIFICIAL INTELLIGENCE ALGORITHMS IN TESTING SYSTEMS AND ITS EFFICIENCY

Jasur K. Turayev

Tashkent University of Information Technologies | e-mail: jasur.turayev@gmail.com

Abstract. This article discusses the application of artificial intelligence algorithms in software testing systems, evaluating efficiency and automation accuracy...

Keywords: artificial intelligence, neural networks, software testing, automation.

Annotatsiya. Mazkur maqolada zamonaviy dasturiy ta'minotlarni sinovdan o'tkazishda sun'iy intellekt algoritmilarining o'rni va samaradorligi tahlil qilingan...

Kalit so'zlar: sun'iy intellekt, neyron tarmoqlar, dasturiy ta'minot, testlash.

Introduction. In today's rapid advancement of digital technologies, automated software validation plays a crucial role...
